

The First Great American Arf-Off 2007

THE GREAT AMERICAN ARF-OFF RESULTS

July 29th, 2007 Woodland CA

Contestants were divided into four groups. The winner of each group advanced to the TOP FOUR FLY-OFF. The final placings of the non-qualifiers was determined by dividing the pilot's score by the high score in his or her group. (less than ideal, but what's good enough for the NATS is good enough for the ARF-OFF)
