

# FIXIT WRIGHT

Featuring Bunny & Tailskid

WHAT'A YA WASTIN' YOUR TIME FOR BUILDIN' YOUR OWN AIRPLANES? I GET MINE OUTTA CRACKERJACK BOXES

YOU'D DO BETTER IF YOU'D LEARN TO BUILD. IT HELPS YOUR FLYIN' AND IT DOESN'T HURT WITH THE GIRLS, EITHER!

FLYIN' HE SEZI! AT THE RATE HE'S GOING, HE'LL NEVER FLY IT. I'LL BE IN THE AIR IN NO TIME. THEN WE'LL SEE WHO GETS THE GIRLS.

OH REALLY?!

# GREAT AMERICAN ARF-OFF

and Stunt Clinic

JULY 30-31, 2011 / WOODLAND, CA

○ ○ ○ Let's see... the official rules should be:

## I General Philosophy

- A) Instant Gratification Stunt
  1. Most flying for the least amount of effort.

## II Eligible Aircraft

- A) Commercial Control Line ARF Kits
  1. ARC's will be considered ARFs, but not ideal ARFs.

## III Skill Classes

- A) There will be no skill classes. Best flyer wins, worst flyer will have fun anyway.

## IV Entry Requirements

- A) Everyone who enters the contest must also be prepared to judge in the contest.
  1. There will be two or more pools of flyers: Pool A Will judge Pool B and vice versa.
  2. The winner of each pool will have a two flight fly-off to determine the winner of the **Barker Cup**
- B) Everyone will pay \$10.00 to participate in all this hilarity.

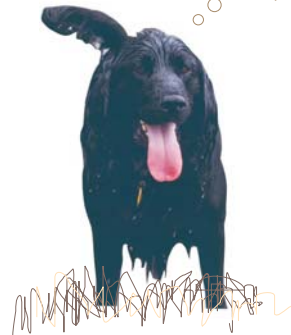

## V ARF Fidelity Points (1-5 negative points)

- A) At the discretion of the CD, Fidelity Points will be deducted for violating the General Philosophy described above.
  1. ARCs will receive the maximum of -5 points for requiring too much extra effort.

## VI Bonus Points

- A) Pilot will receive 5 Bonus Points for flying someone else's ARF. (Outstanding *FLYING To EFFORT* ratio)

Arf!
